B= Approximately 93" C= 10" less than width of awning. Please specify other measurements.

The measurement required when ordering a replacement fabric is center to center hardware (A)

If you cannot get this measurement, you must order the fabric by mentioning the "finished" width of the fabric (C). In all cases, you must mention the original brand of the awning.

This 14 oz fabric will be made standard with the large bead 1/4" at the awning rail and the 0.200" bead at the roller. You must advise us if you want the beads otherwise.

UNIVERSAL FABRIC (For roll-up awning, 1 piece)

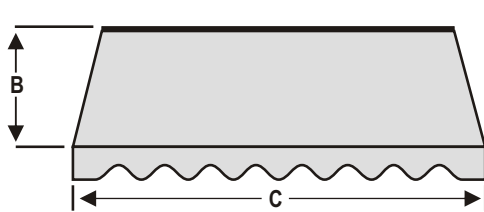

IMPORTANT: The 1 piece fabric has the 3/16" bead at the roller tube.
